WESTVIEW GOLD BOOSTERS

From the Westview Gold Booster President:

Please try to attend the All Parent Meeting on **Wednesday, October 5th at 6:30PM**. It is for all groups: Orchestra and Non-Comp included. There will be general information presented and then we'll break out into the different groups where more specific information and questions will be answered.

If you have yet to do so, donate to the coaching fund. This is a separate account that only the Booster President and Treasurer together can release funds from. There is now a thermometer on the donation website tracking the progress: [CLICK HERE](#)

Great job everyone! The total has grown substantially the last couple weeks, but we're still far from our goal. Until we're secure with this fund we cannot entertain concert trip options for the students later in the year. Remember, dropping a check into the white box avoids PayPal fees which reduce the amount that we get. Not sure if you've already donated? Send an email to wvgoldtreasurer@gmail.com

Looking forward to the excitement of the tournaments! Thank you for your support.

-Victor Chan

Donation News

Many thanks to the families who've already contributed! Section coaches are vital to WV Gold's continued success. Our band directors can't do it alone so the coaches work directly with our students, helping them develop their music and performance skills during the school year. **Watch this [VIDEO](#) created by WV Gold member Paul Chevalier to learn more!** Last newsletter featured some of our coaches and see next page for another talented group! Make your donation today! Payments can be made in full, half year, or in monthly installments. [DONATION LINK](#)
