WESTVIEW GOLD BOOSTERS

GOLD INFORMATION & WHERE TO FIND IT

Westview GOLD is a large and ever active organization, with marching season/tournaments in the fall and concert/festival season in the spring. Each has specific student, volunteer, and donation needs, and a significant amount of relevant information is distributed throughout the year. To minimize info-overload, various communication sources are used appropriately as needs arise.

Here's where to find what!

Current GOLD Activities/Needs/Information

1. GOLD Weekly Update

Provides time-critical info/needs and is important to read regularly. Emailed approximately weekly by the VP of Communications.

2. Section/Group Parents and Student Section Leaders

Communicate most marching season matters and are your go-to people re: section-specific info and general GOLD questions (where/what time to meet, what to bring, where/how to obtain/purchase needed items). Student section leaders generally communicate student-specific info directly to their peers via Facebook. Section/Group Parents generally communicate parent-specific info via email.

In Competitive Band, sections are aligned by instrument.

Non-competitive families receive general section info (re: socials, donations, volunteer needs) from their instrumental Section Leaders/Section Parents, but will receive Non-Competitive Band-specific info from their Non-Competitive Student/Parent Representatives.

Orchestra and Colorguard receive all communication from the Student Orchestra President/Orchestra Parent Representative and the Colorguard Captain/Colorguard Parent Representative(s), respectively.

3. GOLD Facebook Groups: (GOLD Facebook page: <https://www.facebook.com/groups/1845883815733482/>)

Provides time sensitive reminders and new general information.

Ensure that you and your child become members of our Facebook page.

Most importantly, Student Section Leaders usually communicate to their sections via their own *instrument-specific* groups--ask your Student Section Leader which Facebook group(s) to join.

4. GOLD Website Calendar Tab:

<http://www.westviewgold.org/calendar>

Monthly calendars of GOLD events. Great for planning ahead. Click "details" on each event to see detailed itineraries and schedules. You can also sync your calendar with GOLD:

<https://docs.google.com/document/d/12xvL6HB-X86BUSCE6dJdVZuv0A9t0M1XXqymRXDOXqY/edit>

*(Please note: Where unavoidable *last minute* changes occur, Section Leader/Parent communications supersede the posted calendar.)*

GOLD Academics/Expectations/Assignments

1. GOLD Website "Announcements" Tab

https://docs.google.com/document/d/1mDDxpxa8SIBsQfrR7dJ5Xq5ZRAvDzfvEC_5Jc4PLnN8/edit

Daily lists of what is announced in class to students, including homework and upcoming student deadlines.

2. GOLD Syllabus/Handbook

<http://www.westviewgold.org/forms-curriculum>

Contains detailed academic-related GOLD program information, including curriculum, expectations, protocol, and required events.

General GOLD Information (Contact Info, Webstore, Payments, Donations, etc.)

1. GOLD Website:

<http://www.westviewgold.org>

In addition to Announcements and the Calendar, includes contact info for GOLD Parent Leadership, the GOLD Webstore, Payments, Donations, GOLD Show Tickets, links to specific groups, including Jazz Band, Pep Band, and Tri-M, and much more!

2. Booster Membership Newsletter

Especially helpful for new GOLD families! Click on the [Westview GOLD Website](#), click on "Our Team", then "Boosters" and finally "Newsletters" for the complete collection of our newsletters during the school year.

Provides a list of upcoming events and detailed need-to-know info for parents regarding GOLD activities and events.

3. GOLD Vocabulary:

Especially helpful for new GOLD families!

Students wishing to audition for Battery (drumline) should contact Keelan immediately and attend as many workshops as possible. Auditions are required for both Battery and Front Ensemble, and based on not only displayed technical ability, but also attitude and team cohesiveness. Students who do not audition into a drumline position may be placed in the front ensemble and should immediately start attending those rehearsals. You are highly encouraged to explore both options so instructors have a clear idea of what will be the best fit, and placement is at the sole discretion of the Director, not the coaches. Students not auditioning into a Competitive Band spot on either battery or front ensemble will still rehearse with the Competitive percussion section during school and receive the same coaching/curriculum/instruction.

Please bring the following to each rehearsal:

- Athletic clothing (sneakers, shorts/sweats, etc. NO JEANS)
- Sun protection (hats, sunglasses, sunscreen)
- Water (bring more than you think you'll need)
- Snacks for breaktime
- Assigned music, 3-ring binder (1/2" or 1" size), highlighter, pencils, drum pad, mallets, sticks
